

# MEGA CHAMP™

**PRODUCT CODE:** T5900FOC

**FORM:** Textured

**MEDICATION:** None

## APPLICATION:

A complete feed formulated for growing and finishing show cattle.

## FEEDING DIRECTIONS:

Feed as the sole grain ration along with quality forage to growing and finishing cattle. Fresh water, free choice salt and mineral should be available at all times. Changes to rations and feed intakes should be made slowly.

## FEATURES AND BENEFITS:

- A truly complete show feed that is fortified with all of our most powerful topdress supplements including Show & Glow, Power Finish and Fill 'Er Up! Everything you need to win is finally in one bag!
- Specifically designed for “coasting” steers to their desired end weight while adding body fill and dimension to build that 12 o'clock fat steer look.
- Perfectly balanced energy, protein and amino acids are reinforced by a unique tandem of spelts and steam-rolled barley to maximize genetic potential.
- Cottonseed hulls, beet pulp shreds and several other highly digestible fiber sources make this the ideal feed for adding bloom and center body capacity to show heifers.
- High levels of Omega 3 and Omega 6 fatty acids promote incredible hair growth.
- Elevated amounts of effective fiber, chelated trace minerals and several strains of proven yeast cultures stimulate appetite and support immune health.
